Featured Package: Corporate & Gala

Starting at \$2,495

Bring your guests together with polished entertainment, clear presentations, and an energetic celebration. This package is designed for corporate parties, awards dinners, fundraisers, and galas that need more than background music.

Includes up to six hours of professional DJ/MC entertainment, customized music programming, wireless microphone support for announcements and speeches, club-style dance-floor lighting, and advance planning for introductions, awards, and program transitions. We coordinate entertainment and audio cues with your event planner or venue team so the evening flows smoothly.

Large-event audio is tailored to your venue. For events of approximately 300 guests or more, we review the room, program, and coverage needs before confirming the final sound system and price. Uplighting, additional audio zones, expanded microphone support, and other production enhancements are available.

Planning & Booking Notes

- Package prices are starting rates; final pricing depends on the venue, event schedule, technical requirements, and any requested enhancements.
- Entertainment coordination covers music, microphones, announcements, and program cues. A dedicated event coordinator for vendor management and broader logistics is a separate service.
- Additional sound coverage, equipment rental, technicians, travel, complex load-ins, and multi-room events are quoted in advance when applicable.
- A signed agreement and a 25% non-refundable retainer reserve the date. The remaining balance is ordinarily due 30 days before the event unless otherwise agreed in writing.
